

Springdale Fire Department

Policy & Procedures Manual

Volume 2 – Operations

Section 203 – Fire Operations

203.15 Fire Department Connection (FDC) Locking Caps

All personnel shall be knowledgeable with the use of FDC locking caps and wrenches produced by the Knox Company. Many FDC's are required to have Knox FDC locking caps on the FDC. A FDC locking cap wrench is assigned equipment on all SFD apparatus and vehicles. Wrenches have also been provided to surrounding fire departments that may provide mutual aid to Springdale Fire Department. The following list outlines the assigned FDC wrenches for each unit and the serial number for each wrench:
